Garbage	\$ 3,835.82	\$ 3,360.68
TOTALS	\$ 31,921.05	\$ 84,041.32

A motion to approve the consent agenda was made by Frett with a second by Jebesen. All ayes.

Public forum – no oral or written comments were made.

There was much discussion about maintenance equipment that needs repaired, replaced or purchased. Jebesen will start looking to price different options to replace the John Deere tractor.

The Iowa Governor has declared Clinton County as a disaster area. Delmar has had extensive damage and FEMA will be reaching out to us for aid.

The city clerk will be looking into refinancing the USDA loan. In regards to the ECIA grant, the clerk will also be scheduling work on Main street to begin in June of 2021.

Reports:

Tom reported that the city should consider getting a generator for the lagoon. With the recent storm, some towns were without one and we could avoid this issue if we had one in place. He also reported that there's uneven pipe sizes being used for storm water. This should be addressed as well to prevent a larger problem in the future.

Daryl is getting estimates for grinding of the trees that fell during the storm. He mentioned the transmission in the truck needs repaired and will follow up with the company the replaced it. He also said the skid loader needs new tires. McDermott mentioned that the storm drain is plugged by Casey's. Daryl will be checking all storm sewers in town.

At 7:17 p.m. a motion to adjourn was made by Jebesen with a second by Frett. All ayes.

Patty Hardin, Mayor _____

Attest:

Chris Budde, City Clerk
